

DELHI PUBLIC SCHOOL VADODARA

CIRCULAR

DPSV/CIRCULAR/2023-24/14

Date: 09 March 2024

Dear Parents

The school has gone careworn making efforts to collect the pending school fees over the past few years. It may be noted that records show defaulters over two Academic Sessions and more.

Teachers and the Administrative Department have made regular phone calls and reminded parents to clear the dues of their respective ward/s.

However, despite repeated reminders and subsequent assurances from parents (fees of whose ward/s is/are overdue), the school fees dues continue to remain unpaid in many cases.

In order to put the system right, once and for all, the school is constrained to convey the following:

Parents who have –

- not cleared the fees up to March 2024 **(the last day to clear dues is 10 March 2024)** or
 - not given PDC/s after due discussion with the undersigned **or**
 - have not met the undersigned seeking an extension of payment with valid reasons and obtained permission for the same should:
1. Not send their ward/s on the Paper Showing days (wherever applicable).
 2. Not come to collect the Report Card of their ward/s.
 3. Not send their children to join the school in the new academic session 2024-25.
 4. Not make an effort to purchase school books/stationery (for which the school shall not be responsible at all).
 5. Not make any attempt to deposit fees for the month of April 2024, should there be dues against the previous Academic Session(s). Such an attempt would be treated as an attempt to misguide.

It may also be noted that in the forthcoming session (2024-25) fee payment dates shall be strictly adhered to. The school will be forced to stop the children from attending classes if the fee payment deadlines are not honoured without due discussion (in person) and subsequent permission obtained in person.

Please note: We hereby convey our sincere appreciation to all conscientious parents who have helped the school function by ensuring payment of fee in time.
