Date: 17 June 2019

Outbound Experiential Learning Tour to United States of America

Dear Parent

In continuation to the interest expressed by parents over the last few years based on the successful educational and sports trips to East Coast, USA, Sweden & Serbia, we have shortlisted a 12-day educational Journey to the East Coast of **United States of America**. *This 12-day journey takes your child to NASA's Kennedy Space Centre along with Sea World, Islands of Adventure at Orlando, and many other educational centres like Smithsonian Museum of Natural History, Hershey's Chocolate World, Head Quarters of United Nations, Harvard University and MIT covering Washington, D.C, New York & Boston.*

This program is being organized by the school in association with "The Modern Classroom" a Bengaluru based Educational Travel Organization which has been organizing educational school programs around the world for many years. This program aims to expose students to the real life scientific and space exploration along with hands on activities, workshops & interactions with Astronauts, Professors & Scientists to amalgamate scholastic and experiential learning.

Interested parents may submit the consent form which will be followed by a detailed presentation by the team of "The Modern Classroom" at our school campus. **This program is optional & is subject to minimum number of students opting for the same.**

Program Details:

Eligible Classes: VII to XII

Program Dates: **October-November 2019 (Tentatively between 23-10-2019 to 12-11-2019)**
