CIRCULAR

DPSV/CIRCULAR/2020-21/001

DATE : 13 April 2020

Dear Parents

With the successful launch of online classes at Delhi Public School Vadodara, it's a pleasure to see the enthusiasm with which our students have taken to digital learning. In this hour of unprecedented crisis, the entire DPS Vadodara family has risen to the fore.

Keeping the crisis in mind, we understand that some parents may find it difficult to pay the fees now. For all such parent members of the DPS Vadodara family, we have extended the time span for payment of pending fees for the Academic Session 2019-2020 with a waiver of late fine.

We have also extended the time span for payment of fees for the Academic Session 2020-2021 with a waiver of late fine.

Now, fees could be paid in monthly or quarterly instalments as per the convenience of the parents.

Our teachers have been working hard to ensure that the precious academic time of our students does not go in vain. We have ensured that the administrative department continues to function from home. The payment of fees would help the school employees' community manage their domestic fronts while they strive to make administration and teaching, for students and parents, as comfortable as possible.

We deeply appreciate your patience and understanding of the present situation. Let's work together in maintaining a healthy and safe environment.

We shall definitely overcome and emerge stronger and more resilient through this period of pandemic.

We stand resolutely resolved to ensure the best and together we shall.

KEEP INDOORS! BE SAFE!

Regards

Delhi Public School Vadodara
