October – November 2023–24

FROM THE PRINCIPAL'S DESK

The call of autumn gears up the entire school community to hone life skills like teamwork, time management, mutual trust and of course confidence building. A season replete with academics, cultural, literary and sporting facilities in the wonderful cover of pleasant nature connects all of us to cherish unity, pride and camaraderie in the effort to evaluate our skills and evolve towards the better.

"People and land need healing which is all inclusive - holistic."

The past two months have brought a lot into our lives. With the mid-term exams finally over, we have greatly enjoyed ourselves with festivities such as Diwali! However, let us keep our academic goals in mind as well, and push forward as always to strive and resolve for the very best! Let us make the final month of this year one to be truly proud of!

-From the Editor's Desk

Pre-Primary

Sports Day!

Excelling and competing in various competitions on this year's Sports Day, our pre-primary students were no strangers to the sportsman spirit and the contagious vigour of athletics!

Diwali!

The students of Pre-Primary Section celebrated and rejoiced the light-filled splendour of Diwali by taking part in the diya decorating competition and letting their radiant creative spirit shine through with spectacular creations!

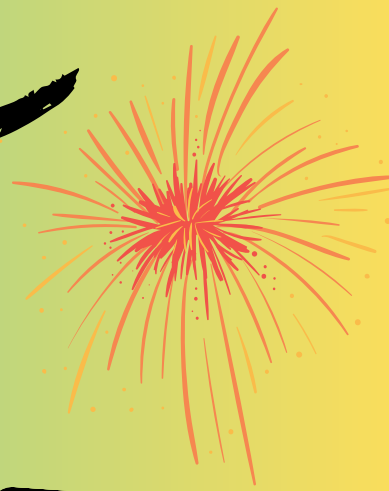

Gandhi Jayanti

Our little students collectively celebrated and honoured Mahatma Gandhi's trailblazing path of leading India to liberty and freedom!

Primary

Diwali Celebration!

We let the festive spirit among our students truly shine as they took part in diya decoration competitions and various art activities celebrating the auspicious and vibrant aura of Diwali!

Social Science Week

The students of Primary Section came together to share enthralling facts about the historic, communal and social world around them through creative exhibits with their fellow classmates!

Common events of Secondary & Primary

Gandhi Jayanti / Lal Bahadur Shastri
Jayanti

DPS Vadodara commemorated and honoured Mahatma Gandhi's and Lal Bahadur Shastri's legacies with soulful vocal and dance performances, expressing the indomitable urge to carry forward their ideals and continue forth their ambitious visions for the nation!

Sports Day!

This day marked a grand occasion for students of all classes to collectively bond and compete in numerous athletic competitions and cheer forth their peers to glorious victory!

Navratri!

Our students had the experience of a lifetime performing garba and dandiya-raas with their fellow classmates, bonding over the joyous spirit of the festival in the school's annual Navratri celebration!

Fun at Fundips!

Our students had a zestful evening filled with the company of their beloved friends whilst playing games solely organized by students and being serenaded with vibrant music from a live jukebox. A fun-filled night to remember!

Know Your Teacher!

Daily Newspaper

Mr. Mukesh Das

1) What led you to tutoring athletics and sports as a school teacher?

-Growing up, sports played a significant role in shaping my character. It instilled in me lessons of perseverance, sportsmanship, and importance of teamwork. My journey into tutoring athletics stems from my profound passion of witnessing the transformation of students as they overcome challenges and develop their skills through sports.

2) What is the most enjoyable part of being a sports teacher?

The most enjoyable part of being a sports teacher is seeing students overcome challenges, push their limits, and achieve their goals. Whether it's winning a game or demonstrating outstanding sportsmanship, each success of their lives feels like a personal win.

The opportunity to inspire students through sports is what makes this job a fulfilling one for me.
