JUNE-JULY EDITION

From the Principal's desk:

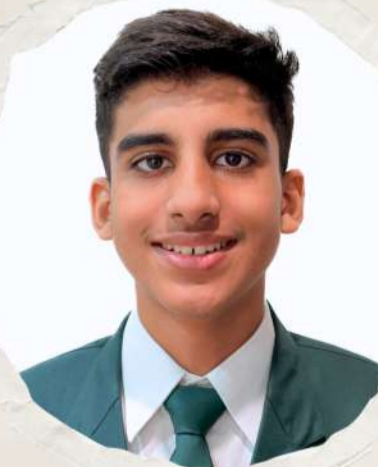

We begin our note congratulating our Grade X and Grade XII students for their stellar performance in the CBSE Board Examinations. The city toppers have set the benchmark of academic brilliance and that's the best tribute to hardwork of the entire Delhi Public School Vadodara fraternity. The formal investiture announced the rightful centre stage position of student leadership giving them and opportunity to further prove the leadership skill and vision. Alongside academics, the school echoed with activities and inter-house competitions, both in scholastic and non scholastic areas.

'Let us remember that success is the sum of small efforts repeated day in and day out.'

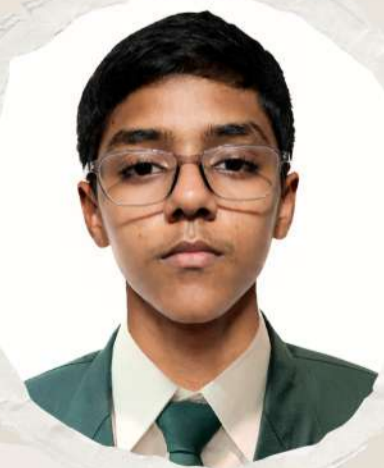

From the Editors:

With the arrival of Varsha Ritu, there is a cool change as the raging heat of Grishma Ritu begins to incinerate the parched ground. Soon, the peacock emerges, dancing with "a hundred eyes" on its feathers that watch over the green woods. A similar sight was witnessed during Delhi Public Vadodara's investiture ceremony when our students were entrusted with their badges. Like the peacock's eyes, these badges were the watchwords of their responsibilities as they pledged to watch over their peers and lead with the same grace and pride through the rains.

SUNNY DAY

Pre-Primary witnessed a radiant morning full of warmth and energy with Fun On a Sunny Day where the tiny tots were met with an exciting atmosphere of a beach being transported right in the school. A giant inflatable pool greeted the tiny tots with bubbles and fun toys while enormous castles of sand were built inside the sand pit. The young toddlers were encouraged to the sunshine and stay outdoors.

PLANTATION DAY

In the midst of June when UN gave a call for action for #beatplasticpollution, the children of Pre-Primary came together in much enthusiasm to plant saplings and imbibed the values of environmental soundness and green skills.

HEALTHY JUICE DAY

In an era when health seems to have taken a backseat, to convenience and processed snacks, DPS Vadodara took a refreshing step by instilling the importance of wellness from a tender age to their Pre-Primary wing by celebrating healthy juice day.

JUNE

The little wonders of Delhi Public School Vadodara participated in a kaleidoscope of events such as twirling troupe, storytelling and spellathon, which augmented their self-esteem and linguistic grasp. All thanks to these events, the primary school children were exposed to an abundance of skills which shaped their persona. More activities such as colouring the picture, postermaking and spin-a-yarn were introduced to the children to nurture their creative intellect.

July

Creativity in its truest form was brilliantly expressed as students of the primary section enthusiastically participated in an array of activities.

Competitions like Pop-up Card Making, Fancy Dress, Music Mashup, and Character Catch embraced self-expression, while Tip Tap Top, Race Against Time, and Knowledge Knockout enhanced problem-solving skills. Group performances such as Twirling Troupe, Puppet Grove, and Nukkad Natak encouraged students to share ideas, blend different creative perspectives, and promote teamwork.

These competitions inspired everyone to try something new and explore the realm of human creativity!

INSTRUMENTAL MUSIC

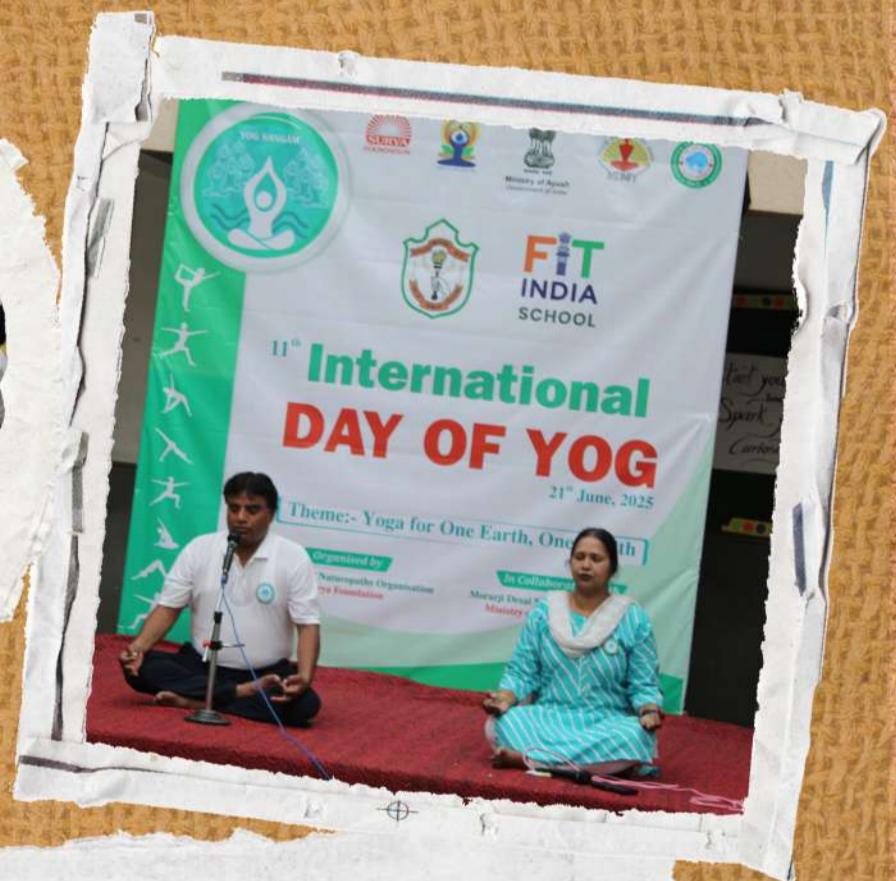

In the vibrant ecosystem of DPS Vadodara, the focus is on conserving cultural heritage and improving cognitive skills through the medium of Instrumental Music. "Music is the universal language of mankind." just like H.W Longfellow rightly said, DPS Vadodara believes this.

MUSIC DAY & YOGA DAY

21st June saw World Music Day and Yoga Day being celebrated in the school by the Secondary and Primary sections.

Students were led into a harmonious trance as they reveled in soulful renditions of classical and semiclassical tunes. A Yoga session was initiated by the teachers of the secondary section as students imbibed the importance of making meditation quotidian and the health benefits of practicing wellness every day. The children were introduced to various asanas and poses as they enthusiastically participated in the same.

SCIENCE WEEK

Amongst the spectrum of events which DELHI PUBLIC SCHOOL VADODARA celebrates, science week is one of them. It is a sight to behold where students present thoughtfully drafted projects. This year, DELHI PUBLIC SCHOOL VADODARA aligns with CBSE's central topic, 'Empowering Indian Youth for Global Leadership in Science & Innovation for VIKSIT BHARAT', ensuring sustainability and long-term vision remain pivotal.

Traffic Awareness

Traffic Awareness Day was commemorated in our school with commendable enthusiasm and civic consciousness. The programme commenced with a special assembly wherein the Principal emphasized the imperative of adhering to traffic regulations to mitigate road accidents. A distinguished traffic police officer enlightened students about road signs, signals, and indispensable safety measures such as helmets and seat belts. The observance concluded with a solemn pledge, as students resolved to uphold traffic discipline and advocate road safety within the community.

INTER-HOUSE IT QUIZ

An IT Quiz was conducted to help students stay abreast with the latest developments in the ever-evolving tech-landscape and test their understanding of IT concepts, technologies and trends. It is here that our future architects of cutting-edge technology displayed their technological prowess and cognitive brilliance striving towards creating a more thriving and sophisticated society.
